About IIG

Who We Are

- IIG specializes in investment, development, and operation of the complete insurance ecosystem that caters to both Individuals and Corporate clients, Governmental Institutions, Sovereign Wealth Funds, and Institutional Investors through our presence in 13 countries across the **Middle East, Africa, Europe & Asia** (Egypt, KSA, UAE, Lebanon, Jordan, Iraq, Sudan, Nigeria, Turkey, Greece, Cyprus, China and Hong Kong).
- In partnership with International Insurance and Re-Insurers, Our Core areas and operational capabilities encompass a wide range of Insurance services and risk management in which we specialize. As onshore & offshore insurance specialists, we incorporate different type of insurance products based on insurance across all industries. We act on behalf of our clients to provide advice in their interests. Our role is to help clients and businesses identify their individual needs and/or business risks to decide what to insure, and how to manage those risks in other ways. We deal with many different types of Insurance, Including Credit Insurance, General, Medical and Life.
- We are here to provide clients with the best technical advice that can be very useful to make a claim. We are aware of the terms and conditions, benefits and exclusions and costs of a wide range of competing insurance policies, so we help clients find the most appropriate cover for their own circumstances and help arrange and place the cover with the chosen insurer and reinsurers while providing advice on how to make mitigate risk and get the most of their insurance budget.
